

TGCI FINANCIAL AID FORM

ANTICIPATED SOURCES OF FUNDS: Please use the following form to show all (including scholarships other than anticipated one from TGCI), assistantships, educational insurance policies, etc., as well as all projected costs involved for attending college for the upcoming school year beginning in September. It is not required that projected resources and expenditures balance. NOTE: If FAFSA information is not available before the application deadline, information from the previous academic year may be used with the notation that it is an estimate based on the previous year. This form must be completed and SIGNED by the student making the application. • ALL questions on the form must be answered since actual financial need is one of the determining factors in the awarding of scholarships. • The student and Financial Aid Officer will determine how the money is to be spent: tuition, food, housing, books, etc. • The student must mail this form, along with other required application materials, to the TGCI Scholarship Chairman.
