

"Fall Thyme in the Garden"

The Garden Club of Marion
Welcomes all to the
Central East Annual District Meeting
October 19, 2023

Matter Park Garden House in Marion, In 46952

Matter Park Garden N Quarry RD.

The Garden Club of Marion is hosting our annual district meeting at the Matter Park Garden House and **are inviting you** to spend the day with the members of our district. Our honored guest will be the TGCI President Jayne Kesler. We are thrilled to present the opportunity to hear our guest speaker, the well-known Carolee of caroleesherbfarm.com.

This is a time the district gathers in one place to share ideas, collect information, and reconnect with friends. We will be able to share our accomplishments, shop at the Ways & Means, dine buffet style, return home more knowledgeable and good memories. **The doors will be open at 8:30 am**, with drink and nibbles available. This will give you time to shop, enjoy your coffee, and the business meeting **starting at 10:00 am**. Lunch will be ready at noon and the speaker will do her **presentation at 1:00 pm**. It is always my goal to have everyone ready to **return home by 2:30**. This will allow time for you to tour this remarkable garden before returning home. Masks are optional. Full tummy promised. Fun is guaranteed.

Presidents will read a 3-minute report of club happenings that may be of interest to all attendees. This is the time for bragging rights, acknowledging the efforts of your members and to make note of publicity received and plans that succeeded. It is also a time to share how you have attracted new members to your club.

The **registration form** must arrive to Kathy Vermilion **by October 10th**. Note the registration is \$25. I feel that it is a day worth the price, and all will be rewarded by the efforts of our host club. Thank you for registering and spending the day with us in the garden club world.

Joyce Bulington,
CE District Director
