September 11, 2024

Dear Madam Vice President,

It's that time of the year again, time to have our Fall District Meeting. The CW district meeting will be held in Sullivan on September 30, 2024 at the Sullivan Civic Center. It is being hosted by the Sullivan County Garden Club.

Come into the Garden Club met in July at Pioneer Park. They did gardening maintenance at their Blue Star Byway Marker which is located in the park. In August, members traveled to the Indiana State Fair in Indianapolis for an enjoyable time viewing presentations, exhibits and the extensive grounds.

The Hendricks County Garden Club had lunch at the Mayberry Cafe in July before traveling on to Rue de Fluers. Brend Lekse is the owner of this You-Pick flower farm. You can pick a bouquet. She also teaches classes on wreath making and arrangements. The August meeting was held at the Avon United Methodist Church. It was a members show and tell. A lot of interesting items were brought to share and discuss. Everyone gained a lot of new information. Have you ever seen a species, Zinna?

The Sullivan County Garden Club spent a hot Saturday in July at the Sullivan County Fair taking in floral entries for the adult open class flower section. The August meeting was a talk about native Americans (Prehistoric) artifacts given by Shar Strahle's son. He had a lot of exhibits and talked about his experiences hunting for them in Indiana. He urged members to visit Angel Mounds in southern Indiana and Cahokia off interstate 70 in Illinois.
