“The Colors of Autumn”

Creative Hands & Twin City Garden Clubs

Welcome all to the
Central East Annual District Meeting
October 31, 2024
Gas City Christian Church
401 E. North D. Street, Gas City, IN
46933

Creative Hands and Twin City Garden Clubs will be hosting our annual district meeting and **are inviting you** to spend the day with the members of our district. Our honored guest will be TGCI President Jayne Kesler. We are thrilled that we have four designers to demonstrate four different styles of mechanics for the floral designs being demonstrated.

This is a time the district gathers in one place to share ideas, collect information, have our required annual business meeting and reconnect with friends. We will be able to share our accomplishments, shop at the Ways & Means, dine buffet style, return home more knowledgeable and with new memories made. **The doors will be open at 8:30 am**, with drinks and nibbles available. This will give you time to shop before the business meeting **starts at 9:45 am**. Lunch will be served at noon and the designers will do their **presentations throughout the day**. The designs will be auctioned. It is always my goal to have everyone ready to **return home by 2:30**. Masks, medical or fun, are optional. Full tummy promised. Fun guaranteed.

Surprises, maybe?!? Just for fun, I am asking all attendees to wear something purple as a nod to Halloween and the end of my term. A scarf or piece of jewelry will suffice if you have nothing purple to wear.

The **registration form** should arrive to Ann Herrman postmarked **October 24th**. Contact Ann for late registration information. Note the registration is \$25. I feel that it is a day worth the price, and all will be rewarded by the efforts of our host clubs. Thank you for registering and spending the day with us in the garden club world.
