

"Bloom Where You Are Planted"

Pendleton Garden Club
Welcomes all to the
Central East Annual District Meeting
October 16, 2026
Falls Park Community Building,
299 Falls Park Dr. Pendleton, IN 46064

The Pendleton Garden Club is delighted to host our Annual District Meeting and cordially invites you to join us for a day of fellowship, learning, and inspiration among our esteemed members.

Our distinguished guest will be TGCI President Wanda Zahrt, along with other TGCI Officers and Board members. Our featured speaker will be Mr. John Huber. He is a Master Gardener, a Master Naturalist, and conducts site evaluations for the Growing Home Habitat Certification Program. John also volunteers with various projects at the Red-tail Land Conservancy located in Muncie. He will be presenting a very informative program on growing sunflowers.

This gathering presents a splendid opportunity for our district to convene, exchange ideas, gather information, and reconnect with cherished friends. We warmly encourage you to share your accomplishments, browse our Ways & Means shop, savor a buffet-style meal, and depart with both new knowledge and treasured memories. We need representation from each club as we will be holding election of officers.

Doors open: 8:30 AM

Please enjoy coffee, tea, water, and treats while shopping and mingling with friends before the meeting commences at 10:00 AM.

Lunch: Ready by noon.

The speaker's presentation will begin at 1:00 PM.

Meeting adjourning approximately at 2:30 PM.

During the meeting, each president is required to present a three-minute report on their club's activities. This is a wonderful chance to inform the district about your club's recent projects, achievements, and future plans. We encourage you to highlight any innovative practices or community initiatives that might inspire and benefit other clubs.

Please ensure that your form arrives to Ann Herrman by October 5th.

Note the registration cost is \$22.

Thank you for registering and spending the day with us.

Kathy Vermilion,
Central East District Director
